Anti-Aging

Dead Sea mud provides anti-aging benefits by tightening and toning skin, reducing fine lines and wrinkles, and shrinking pores. It helps improve blood circulation and stimulate skin cell turnover.

The Facial Dead Sea Mud Mask That Basically Sucks Your Pimples & Blackheads Out!

The Dead Sea is unique due to its high concentrations of salts and minerals. It is particularly rich in magnesium, sodium, potassium and calcium. Use of Dead Sea mud has been studied in connection with health benefits and healing properties for physical ailments.

Symptoms of skin disorders such as psoriasis, eczema and acne can be controlled by using Dead Sea mud. Its rich mineral content accelerates natural exfoliation and restores your skin's pH balance. Dead Sea mud is not a permanent healer, but regular use of it can provide physical relief and keep your skin disorder under control.

A Dead Sea mud mask can improve the appearance of your facial skin by improving elasticity and minimizing pores, wrinkles and lines. When it dries, toxins that may be present in your skin cells from your everyday diet are drawn out. Your face will feel clean and refreshed.

Do not use Dead Sea Mud as a replacement for medical treatments that have been prescribed by your doctor.
