100% Natural Dead Sea Black Mud Unscented - High Quality

Dead Sea Mineral Mud Mask for Face , Body , Body Wrap & Hair

Description:-The completely natural Dead Sea muds are products with multiple cosmetic and health properties.

The Dead Sea, a large salt lake located on the border between Jordan to the east and Israel and Occupied Palestine to the west, is subject to continuous evaporation due to the very high temperatures in the area. Its water and mud are therefore very rich in mineral salts and trace elements .

In fact, they contain 37% interstitial water (Sodium, Potassium, Calcium, Magnesium, Chloride, Lithium, sulphate, Bromide), 60% soluble solid minerals (Halite, Aragonite, Calcite, Mica, Dolomite, Quartz, Kaolinite).

They can be used in cosmetics as a face mask, body scrub, massage, hand care, foot care; in skin pathologies in case of acne, eczema and psoriasis; as an anti-cellulite; in breast care.
